

# MSc Economics

The Institute for Advanced Studies (IHS) and the Vienna University of Technology are premier academic and research institutions located in Vienna, Austria. Students with a Bachelor's Degree (or equivalent) may apply to the joint, two-year Master of Science in Economics. We provide a rigorous, quantitative course-based education that serves as a preparation for leading PhD programs around the world.

IHS has an outstanding visiting professorship program, with some of the most prominent researchers in Economics and Finance teaching advanced courses and seminars. The Institute also hosts ongoing lecture series that feature renowned speakers, including Nobel laureates.

The faculty members are recognized for their scientific accomplishments and are highly ranked in international comparisons.

The curriculum includes a solid comprehensive and specialized course sequence in Microeconomics and Game Theory, Macroeconomics and Econometrics. Students also receive a thorough training in Mathematics and Statistics.

- **An excellent network of researchers from the world's finest academic and research institutions**
- **Outstanding opportunities for continuing academic education at the doctoral (Ph.D.) level both in Austria and abroad**
- **A competitive fellowship stipend covering the full two years of the Master of Science**
- **1:1 student faculty ratio**
