

infinitas capital is a Family Office based in Basel, Switzerland. We invest in real estate as well as some of the most exciting and disruptive emerging companies in the biotech, fintech and crypto spaces.

We are currently structuring our flagship VC fund: Korify Capital Fund ONE.

We are looking for a structured Intern/Analyst to strengthen our team by supporting us in fundraising, deal execution and creating financial models. You can make an impact from DAY ONE. Starting date asap until end of September with option to stay!

Requirements

- ongoing BA or higher
- Strong Excel & Powerpoint skills
- English C1 Level
- Analytical thinking
- Financial modelling
- Passionate about VC and capital markets
- Outgoing and engaging; open for investor relations & fundraising

Responsibilities

- Portfolio management: tracking performance and relevant updates on a company and market level
- Operations management: preparing proposals, presentations for LPs, and newsletters; keeping cap tables and fund administration up to date; managing accounts, expenses, and costs
- Fundraising support
- Deal execution support: managing and conducting initial due diligence along with modelling and deal-structuring
- Preparing documents for execution
- Drafting investment memorandums
- Outbound research and relationship building with investors

infinitas offers

- Entrepreneurial environment, fast decision-making process and dynamic team spirit
- Working on most exclusive VC-Deals along the most stellar investors; Apeiron Investment Group, Thiel Capital, you name it!
- Gaining experience working on investments from Seed to IPO – with interesting insights into the companies' life and liquidity cycles
- We grow together – interesting personal development opportunities as we plan further funds

About Korify Capital

Korify Capital AG, the fund's predecessor, was founded in December 2020 and has already deployed over \$40m into some of the most exclusive VC-Deals: ATAI (Series C & D), Sensei Biotherapeutics (Series B & IPO), Wonderbrands (pre-seed & seed), Rejuveron Life Sciences (Series A-2), Cambrian Biopharma (Series B), Nextmarkets (Series B), Leaf4Life, Samsara Therapeutics and one of the biggest cryptocurrency exchanges soon to be launching.
