

## Finance Rotation Program (3 years)

**Novartis Business Services (NBS) Finance offers to highly motivated recent Master (MA/MS) Graduates a 3 year Finance Rotation Program**

- Each rotation of the Program consists of a 6 - 12 months assignment and covers different financial departments with increasing responsibilities: finance operational process, accounting & reporting, business planning & analysis. During the 3 years there will be opportunities for short term assignments, such as guest internal audit abroad. As part of the Program, regular coaching to fit to your development is also included.

See the brochure for more details:
