Host: Prof. Rolf Weder

Prof. Rolf Weder and Aulis Pesenti (PhD student) discuss the current developments in the U.S. based on their own experience made in the U.S. Seminar 2026 in Washington DC and New York. They will explore how the Summer School in Business, Law, and Economic Policy reflects those developments and present the July/August 2026 course lineup. They will also cover how to prepare a successful research proposal for the U.S. Seminar in February 2027, with time for Q&A.
