Basel, November 2015

The
Center for Research in Economics and Well-Being (CREW)
at the
Faculty of Business and Economics, University of Basel
has a job vacancy for a

Research Associate

You will actively work on scientific projects at the newly founded research center dedicated to the study of human well-being from an economic and interdisciplinary perspective. Other researchers engaged at CREW include Prof. Dr. Margit Osterloh, Prof. Dr. Bruno S. Frey, and Prof. Dr. Alois Stutzer.

You are on your way to or already have an excellent degree in business or economics (or a related field) and some expertise in econometrics.

We offer you the opportunity to realize a research project or to prepare a dissertation in an international environment focused on scientific research.

More information about the activities at CREW can be found in the internet at <https://wwz.unibas.ch/crew/>.

If you have any questions, please do not hesitate to send an email to either Prof. Dr. Margit Osterloh (margit.osterloh@unibas.ch), Prof. Dr. Bruno S. Frey (bruno.frey@unibas.ch), or Prof. Dr. Alois Stutzer (alois.stutzer@unibas.ch).

Please send your application with the common documents by email to Prof. Dr. Alois Stutzer (alois.stutzer@unibas.ch). Applications will be processed continuously.
